THE WORK UNITED BHARAT PROFILE-2024

We want to inform all of you that we have started a system as known as: Work United Bharat

In Which people from all over Bharat can join this system and Working infrastructure in any field / sector according to their ability and earn livelihood.

VISION & TESTIMONY

Hello I'm Santosh Kumar, Today I Want to tell you something about myself, knowing that you will be surprised and get motivation from my journey of life. I got many important lessons in this struggling life. I understood the importance of Work & life, learned the art of not giving up in struggles and achieved something with my hard Work. Today I am standing here, because of my hard Work and confidence.

My life is a struggle story which teaches the World. And I have decided that from now onwards I Will Work for the next generation and I Will try to give a good life to each and every person in the society.

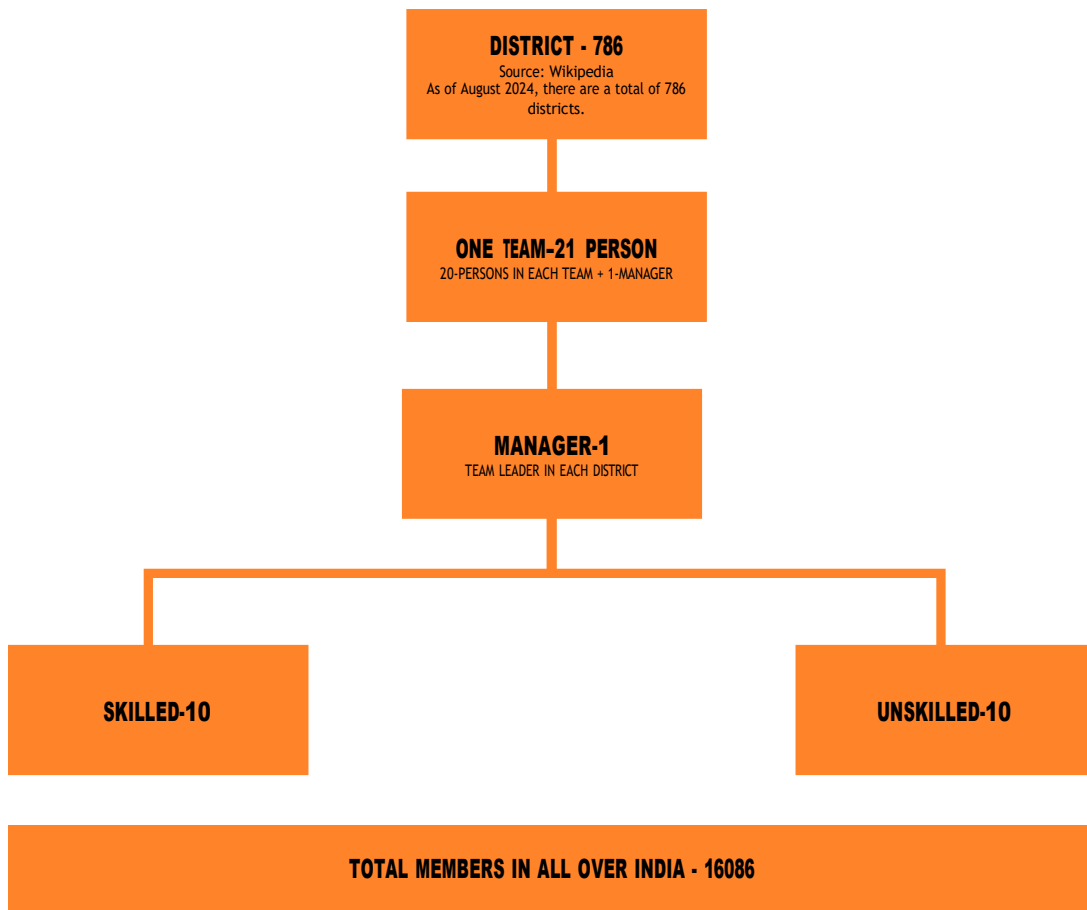

GOAL

Our aim is to connect every Indians With this system. And fundamental rights have to be provided so that no person is violated in the country and society. Everyone should get their livelihood with peace / security and honesty.

Society Reform: Society is an important part of our life which influences our thinking, behavior and development. There are many problems in our society like illiteracy, child labour, casteism, social inequality Corruption,Healthcare Etc.The solution to these problems is possible only with the initiative to reform the society.

Employment: Employment problem has become a serious problem in today's society. Due to increasing population, technological advancement, speed of development, etc., we are facing lack of employment. Unemployment situation will change with this vision.
